

STREAK FREE

A streak-free, non-ammoniated, aerosol spray glass cleaner that may be utilized on residential and commercial building windows, car windows, Lexan, Lucite, and Plexiglass surfaces. Clinging foam breaks up soils and holds them—even on vertical surfaces.

Directions

1. Shake well before each use.
2. Hold dispenser (can) upright. Point valve opening toward window or glass to be sprayed, holding about 8 to 12 inches away.
3. Press button - spray on fine mist and wipe clean. For best results, polish with a lint-free, cotton cloth.
4. Unplug energized electrical equipment prior to use. Not for use on non-glass flat panel TVs.

Spray On And Wipe Off

Specs

Dilution: RTU
pH Level: 9.1 - 10.1
Color: Colorless
Fragrance: Fresh
Pack Types: 12/19 oz.
