

SUPER DUTY

SOLVENT BASED INDUSTRIAL STRENGTH DEGREASER

Highly concentrated degreaser specially formulated for heavy duty cleaning and degreasing in industrial environments. Dilutable to suit a wide range of cleaning and degreasing tasks. Maintains a high alkalinity even when diluted.

Directions

1. Use Dilution Guide to determine starting point. Adjust dilution for soil load or other factors.
2. After surface has been cleaned, rinse thoroughly.

Uses:	Recommended Dilution:
Light soil.....	1:100
Medium soil.....	1:50
Heavy build-up.....	1:25
Extremely difficult soil.....	1:5
Dip tank degreaser and corrosion protection.....	1:15

After surface has been cleaned, rinse thoroughly with water.

Autoscrubbing Equipment

Dilute product 1:50 (2 1/2 oz./gal.) in the solution tank. Add 1 oz. per gallon of defoamer to the recovery tanks. Rinse equipment after use.

Pressure Washer Equipment

Dilute 1:50 (2 1/2 oz./gal.) for regular soil and 1:25 (5 oz. per/gal.) for heavy soil.

Versatile Formula For Use As An Everyday or Heavy-Duty Cleaner

Specs

Dilution: Various
pH Level: 13.0-14.0
Color: Red
Fragrance: Balsam
Pack Types: Gallon

Features

- Highly Concentrated
- Fast-Acting
- Cleans Grease, Oils, Cutting Fluids and Ink
- Biodegradable

Recommended For

- Floors and Walls
- Engines
- Terrazzo
- Machinery
- Marble
- Concrete, Brick and Stucco
- Ceramic Tile
