

**YOUR PARTNER FOR THE RIGHT
PRODUCTS, PROCESSES, AND PROGRAMS;
*YOUR FACILITY IS OUR FOCUS.***

About Us

At KSS Enterprises we know you have many options for getting your facility supplies and equipment. Since 1945 we have been serving our customers by delivering solutions, not just products. Each facility has unique labor challenges, budgets, and training needs in addition to the supplies they use. We work with you to bring the right programs, processes, and products for your environment, helping you reduce your overall costs of doing business.

“

How the product we ship arrives to a customer is crucial to our reputation, as well as our bottom line. Working with KSS we found solutions to better protect our products from damage, and also have custom printing on our packaging to promote our company. They have become a trusted supplier for us and continue to bring solutions to help our business. Thanks KSS!

- Todd M.
